REVOLUTIONIZE TODAY’S WORKSPACE

• Fast color and black and white output at speeds of up to 40 pages per minute,* with your first print in your hands in 6 seconds or less.**

• Generous paper handling in an expandable, configurable construction for a total paper capacity of up to 2,300 sheets.***

• Versatile, durable design supports a variety of media/paper types and configurations.

• Print on-the-go with Canon PRINT Business,† Apple® AirPrint®,†† Mopria™ Print Service,††† and Google Cloud Print™.▲

• Supports host-based UFR II, PCL5c/e, PCL6, and Adobe® PostScript® languages to provide printing versatility.

• Easily print from your USB flash drive in JPEG, TIFF, PDF, and XPS formats.

• Eco-friendly, two-sided printing out of the box saves paper and related cost.

• Low energy consumption; uses 1.2 W or less in wired, Energy Saver Mode.

• Achieve vibrant and vivid images with V² Color Technology.

• Embedded MEAP integration provides secure follow-me print release from Canon’s powerful uniFLOW Solution.
ADVANCED TECHNOLOGIES
FOR YOUR OFFICE

Speed and Versatility
The LBP712Cdn delivers high-speed color and black-and-white output up to 40 ppm* to keep your business running. The LBP712Cdn offers generous and configurable paper feeding, with a maximum 2,300-sheet*** capacity. With a monthly duty cycle of up to 80,000 sheets,*** the LBP712Cdn is designed to meet your high-volume print demands, making it an ideal business solution.

Print On-the-Go
Print a variety of file types, Web pages, and images on-the-go with Canon PRINT Business,† Apple AirPrint®,†† Mopria™ Print Service,††† and Google Cloud Print™ using your compatible mobile device.

Service and Support
At its foundation, Canon has an uncompromising dedication to product reliability, service, and support. From cutting-edge technology to industry-leading response times, Canon U.S.A. takes pride in delivering complete customer satisfaction. Canon’s award-winning, 100% U.S.-based friendly and knowledgeable Customer Service Team provides expert assistance for every level of experience.

GENUINE Toner Cartridges
Designed by Canon engineers and manufactured in Canon facilities, GENUINE supplies are developed using precise specifications, so you can be confident that your Canon device will produce high-quality results consistently. Canon S-Toner produces a highly detailed toner image, ensures a precise transfer performance, and eliminates the need to use oil during fixing. The Single-Cartridge System combines the toner and drum into the same unit, which means you only have one consumable to replace.

Image Quality
Achieve high-quality printing and sharp, vibrant colors with V² (Vivid and Vibrant) Color Technology. This technology expands the color gamut of dark areas and shadows, in particular, for greater sharpness and detail.

* Print speed is based on internal testing. Print speed may vary depending on the number of copies selected as well as on the settings for size, type, and orientation of paper.
** May vary depending on the output environment.
*** Based on 20 lb. Bond paper.
† Canon PRINT Business is a new app, available free on the App Store℠ and Google Play Store; compatible with iPhone 6 Plus, iPhone 6, iPhone 5S, iPhone 5C, iPhone 5, iPhone 4S, iPhone 4, iPad Air 2, iPad Air, iPad 4, iPad 3, iPad 2, Original iPad, iPad mini, iPad mini Retina, iPad mini 3 running iOS 7.0 - 8.0. Supports Android Tablets and Phones running OS 4.0 - 5.0. Canon PRINT Business combines the functions of Canon Mobile Printing and Canon Mobile Scanning for Business apps into one, streamlining both apps and adds new features and functionality for users of all types, from small or home offices to large enterprise offices. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business. Users who have installed Canon Mobile Scanning for Business should install Canon PRINT Business. After Canon PRINT Business is installed, users can re-register their Canon Mobile Scanning for Business device list and local documents.
†† Apple AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPad touch 3rd generation or latest device running iOS 7.0 - 8.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.
††† Mopria Print Service, available free at the Google Play Store, requires a compatible Android 4.0 or later smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.
▲ Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print™ function. Certain exceptions may apply. A PC running Windows® XP or later or a Mac™ running OS 10.4.11 or later and USB cable are required to perform firmware update.
