

HELPING CHURCHES BE GOOD STEWARDS OF THEIR RESOURCES

SMART CHANGE STARTS HERE.

Canon Solutions America, endorsed by Lifeway as your source for multifunction printers and copiers, offers churches and faith-based schools a convenient and cost-effective way to acquire printing and document management solutions through the One Source purchasing program. From desktop printing and convenience copying to booklets, full-color printing, and high-speed production printers, we offer solutions to help meet the needs of churches of every size.

AS A LIFEWAY CUSTOMER, YOU HAVE FULL ACCESS TO THE BENEFITS AND SIGNIFICANT SAVINGS OF BUYING OR LEASING THROUGH THE ONE SOURCE PROGRAM.

Endorsed by Lifeway, Canon Solutions America, a national provider of printing and document solutions, can help church and faith-based school leaders serve their communities and fulfill their mission with best-in-class hardware and software solutions. Let us help you create, manage, and reduce costs related to banners, posters, church bulletins, and other communications, as well as support safe entry for church services, improve mailing processes, and provide access to projectors, 3D printers, and other teaching aids.

Purchasing Canon equipment through the One Source purchasing program can help save you time, money, and space, with the added benefit of available features that empower you to print, copy, fax, scan, and even print from your mobile smartphone or tablet, all with a single device. In addition, our workflow software will allow you to distribute files electronically, as well as monitor and track device usage to help control costs.

Benefits include:

- Simplified purchase process.
- Access to a nationally negotiated and consistent pricing structure.
- Up to 64% off the MSRP on an extensive line of high-quality color and black-and-white multifunction printers and copiers.
- Significant discounts on equipment maintenance and supply agreements.
- Local and national support.
- Nationwide direct sales and service focused on building long-term relationships.
- Knowledgeable, experienced sales consultants.

Be a good steward of your church's funds and help reduce costs by purchasing or leasing Canon products through the One Source program. Canon products can help your church:

- Reduce total cost of ownership.
- Improve efficiency and productivity.
- Create stunning full-color booklets, flyers, and programs.
- Streamline processes.
- Print from mobile devices.
- Protect sensitive information.
- Monitor device usage and improve control.

OUR MISSION

Canon Solutions America's primary mission is to support the improvement of workflow efficiency and document processes in organizations of all sizes and types, while helping them reduce waste. This is accomplished through the strategic implementation of services, technology, and support options that are unique to each customer's operational requirements. By cultivating a staff of expert representatives, technicians, analysts, engineers, and an administration that is dedicated to understanding the needs of our customers, we deliver on our mission with determination, professionalism, and the utmost integrity. As a subsidiary of Canon U.S.A., one of the most respected technology brands in the world, we uphold a commitment to the environment, the community, and the world at large.

Convenient Printing from Smartphones and Tablets

Mobile printing from Canon Solutions America gives your volunteers and staff the freedom to print easily from laptops, smartphones, and tablets to any device on your network. Our mobile solutions incorporate security features designed to help protect confidential church documents. Users can authenticate at the device through proximity cards, PIN codes, or username and password for secure release of print jobs.

Privacy and Protection

Canon Solutions America offers a wide range of technologies to address privacy and confidentiality concerns. Every Canon product includes numerous standard security features to protect data at rest or in transit. Protect confidential information about your members or students and your organization with features that support data encryption, alert you to firmware tampering, and help you control who prints, scans, or shares information. In addition, we offer a host of services to support staff in phishing training, penetration testing, and other proactive measures to support a strong security posture.

Keeping Churches Open and Accessible

In trying times, take advantage of Canon Solutions America's safe re-entry solutions including Check-in Online software that lets your congregants, students, and staff fill out health-related questionnaires online before attending functions, services, or classes. We also offer welloStationX—the only automated, FDA-cleared clinical thermometer kiosk or desktop station designed to check temperatures of staff and visitors with an accuracy of +/- 0.4° F. Ideal for churches or parochial schools, the welloStationX identifies elevated temperatures to support safe entry for all.

Teaching Aids

Support your religious education activities with projectors that feature outstanding image quality made possible by blending advanced optics and technologies. Outfitted with Canon professional lenses, the Canon projector lineup is ideal for presentations delivered in your sanctuary or classrooms.

Mailing Solutions

Save time and money with Canon Solutions America mailing solutions ranging from postal meters and mailing inserters to address correction software. Simplify routine mailings and capital campaign outreach so that staff can focus on members' needs.

Responsive Local Support with National Reach

With offices located across the U.S., Canon Solutions America is there when you need us. Acquiring your printer from Canon Solutions America offers you the best of both worlds: local sales and service representatives who know your community, backed with the resources of a global company that is committed to long-term investment in technological innovation and your satisfaction. Take advantage of our Automatic Toner Replenishment program and our complimentary 24/7 online portal, myCSA, which allows you to order supplies, view/input meter reads, and access service anytime, anywhere.

Initiatives for a Greener America

Canon Solutions America views our environmental and community responsibility as an integral part of our management structure, product design, manufacturing, and corporate culture. We proactively create strategies and follow specific practices to help improve the health of our planet. From reducing waste and supporting green building architecture to creating energy efficient devices and supporting toner cartridge recycling programs that result in zero landfill waste, we believe in sustaining the environment for generations to come.

ABOUT LIFEWAY AND THE ONE SOURCE PROGRAM

Lifeway Christian Resources is one of the world's largest providers of Christian products and services, including Bibles, Bible studies, research, church music and supplies, and digital services. With a goal of improved stewardship, Lifeway One Source has developed relationships with companies that offer you potential savings on a number of products and services. These endorsed provider relationships leverage the collective buying power of SBC entities and free up operational dollars to further fund ministry efforts. Through its publishing division, B&H Publishing Group, Lifeway publishes books and has produced the widely-respected CSB Bible translation. Lifeway is a nonprofit organization that reinvests income above operating expenses in mission work and other ministries around the world.
