

SCAN Directly to BOX

Canon Solutions America is working with Box,
the cloud-based enterprise content management
platform, to make collaboration easy!

SAVE TIME

Reduce the time it takes to scan documents to your Box account by eliminating the need to send files to your email.

HELP INCREASE OFFICE PRODUCTIVITY

Scan directly to Box from your compatible Canon system.*

SHARE EFFORTLESSLY

Easily scan and share files with your team, customers, or external agencies who can view them quickly on their PC or mobile device via the Box app.

COLLABORATE EFFICIENTLY

Take collaboration to the next level. Users can quickly access scanned files in Box and co-author feedback right in the document.**

*uniFLOW and ADVANCE Cloud Portal are Canon software that allow users to scan directly to Box from their compatible Canon MFP. These software solutions are sold separately. ADVANCE Cloud Portal requires a MEAP (Multifunctional Embedded Application Platform) web connection kit and is compatible on the following Canon imageRUNNER ADVANCE systems: C7500 Series, C5500 Series, C3500 Series, C355iF/C255iF, 8500 Series, 6500 Series, 4500 Series. uniFLOW Capture is compatible on all current Canon MEAP enabled devices.

**Supports only Microsoft Office 365 documents. Microsoft Office 365 sold separately.

WHAT'S NEEDED?

- Canon imageRUNNER ADVANCE Generation 3 system
- Canon MEAP*** Web Connection Kit
- ADVANCE Cloud Portal (ACP) - a free web-based service that allows users to connect to Box directly from their compatible MFP

LOOKING FOR SOMETHING THAT DOES A BIT MORE?

With a compatible imageRUNNER ADVANCE system, users can scan to Box using powerful document capture and distribution solutions such as eCopy and uniFLOW. This enhanced user experience saves time and money and improves productivity.

*** Multifunctional Embedded Application Platform (MEAP)

Find the right **Canon and Box** solution that works for your organization.
