

# WHIZ FOR HEALTHCARE

Commercial Robot Vacuum

SMART CHANGE STARTS HERE.

## THE CHALLENGE:

- ✓ **Increase Patient Confidence:** Increase health and safety in the hospital environment such that patients feel confident to receive care.
- ✓ **Increase Staff Confidence:** Hospital staff are quintessential to hospital operations. You need your staff 100% focused on improving patient outcomes, not worried about their health and safety.
- ✓ **Innovation:** You're constantly innovating to attract top doctors, differentiate from other hospitals, and provide the best care.
- ✓ **Efficiency:** Drive efficiency throughout your hospital operations by reallocating labor to higher value tasks.

**What's the next step in your hospital experience ecosystem?** Reassurance.

- ✓ VISIBLE
- ✓ DATA-DRIVEN
- ✓ MARKETABLE
- ✓ EFFECTIVE

## THE SOLUTION:

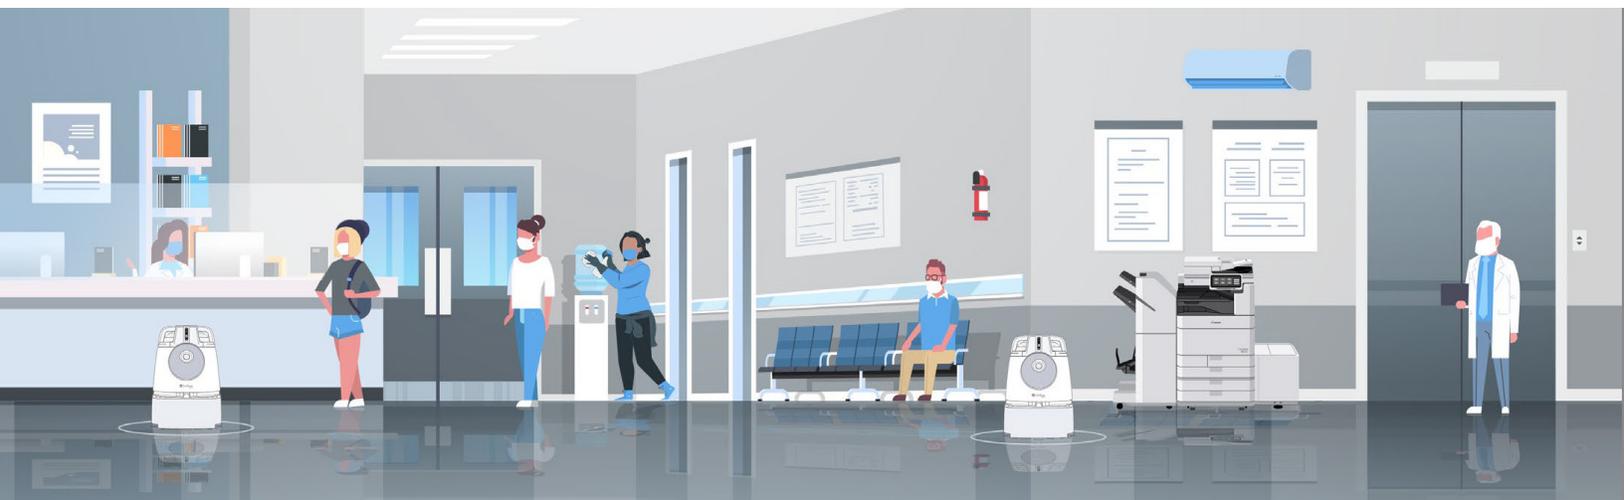

### Meet Whiz

### How Canon Solutions America Can Help

Hospitals across the country have deployed Whiz in their **waiting rooms** and **hallways** to do a "pre-sweep" prior to scrubbing the floors.

- On-site staff to engage the device on a daily basis, including start-up, run, and management of consumables and maintenance.
- Utilize our change management expertise to seamlessly integrate whiz into your existing safety and health program.
- Tailored analytics and performance reporting.

# THE RESULTS IN HEALTHCARE

Bring people back to your health system by demonstrating your investment in their health and safety while also achieving:

**8X**
