

SEAMLESS DIGITAL TRANSFORMATION IN EDUCATION: Addressing today's challenges with comprehensive solutions

Educational institutions of all sizes are searching for ways to operate more efficiently and maintain compliance with regulatory requirements.

EFFICIENT RESPONSE TIMES

Difficulty accessing correct information; slow, chaotic processes.

SECURITY

Preventing unauthorized access; data backup; disaster recovery.

COMPLIANCE

with FERPA regulations; confidentiality of student records.

COST EFFECTIVENESS

High storage costs in multiple locations; time and labor-intensive processes.

OUR WORKFLOW SOLUTIONS GIVE EDUCATION FACILITIES:

PRODUCTIVITY

Recoup the time you lose to information searches and chaotic processes.

REACTIVITY

React to your students' needs in a timely, professional manner.

VISIBILITY

Maintain a clear overview of your processes, track important metrics and response times.

COMPLIANCE

Help keep student record information safe, secure and confidential.

FLEXIBILITY

Access your information anytime, anywhere. Easily upgrade and expand.

TRANSFORMING EDUCATION

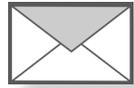

SECURE DIGITAL ARCHIVE

Documents are stored within a secure repository, enabling disaster recovery and compliance with confidentiality and retention regulations.

STUDENT FILES

Student records can be grouped by student into electronic binders. Administrators can efficiently access info and notice missing documents.

EMAIL INTEGRATION

Automatically collect emails to remove dependence on personal email accounts and be sure you don't miss student communications.

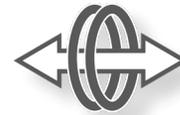

E-FORMS

Transcript requests and job applications can be efficiently collected, approved and tracked using electronic forms.

WORKFLOW AUTOMATION

Standard procedures can be automated to make student onboarding and transcript requests more efficient.

THEREFORE™ PORTAL

Share documents with students, so they can easily access exam results, class lists, registration schedules, etc.

AUDIT CAPABILITIES

Audit trail and workflow histories provide traceability when it comes time for compliance audits.

RETENTION POLICIES

Easily comply with student record retention regulations by setting policies for when documents should be deleted.
